

Essential cat products checklist

- Litter tray and scoop
- Cat litter
- Scratching post (choose a sturdy one, it will save money in the long run)
- Food and water bowls (avoid plastic)
- Cat food (speak to your cat's breeder or your veterinarian)
- Cat carrier (should be sturdy, washable and have openings at the top and front)
- Cat toys (select a few, wand toys, mice etc)
- Cat bed
- Cat books (first aid and general cat information)
- Flea and worming products (see your veterinarian for this)
- First aid kit
- Grooming products
- Good quality nail clippers
- Pet health insurance
- Identification (microchip, cat collar)
